National Public Works Week to be Observed Week of May 15th – Mayor Joseph A. Wilson proclaimed the week of May 15th through 21st 2011 as Public Works Week in Erie. This year's theme is "Public Works: Serving You and Your Community".

Observed the third week of May each year, National Public Works Week is a celebration of the men and women who provide and maintain the infrastructure and services collectively known as public works. As part of local celebrations, the Town of Erie Department Public Works has scheduled tours of the Town's Water Treatment Facility and North Water Reclamation Facility with Erie 4th Graders (May 17) and participants of the Erie Community Center's Active Adults program (May 20).

Since 1960, American Public Works Association (APWA) has sponsored National Public Works Week. Across the nation, APWA's 29,000 members use this week to energize and educate the public on the importance of the contribution of public works to their daily lives: planning, building, managing and operating the heart of our local communities and building the quality of life.
